## How to reach us

**FROM THE AIRPORT** The best way to reach our hotel from Marco Polo Airport is to get a private taxiboat directly to our hotel (it takes about 40 minutes and it costs about euro 110,00 in total up to 4 people including luggage during the day) or you may use the “Alilaguna” water bus service to Zattere boatstation (it takes about 1 hour and 40 minutes and it costs euro 17,00 each including luggage); from Zattere follow the canal on your right and turn left after having crossed the first bridge on the way and follow the S. Vio Canal (fondamenta Bragadin) for about 100 meters (just 2 minutes walk in total), you will find our hotel on the right side. Otherwise from the airport you can take a public bus to Piazzale Roma (the direct one - atvo company - takes about 25 minutes and costs about 7,00 euro including luggage), or taxi car to Piazzale Roma then follow the directions from Piazzale Roma.

**FROM PIAZZALE ROMA OR RAILWAY STATION** From Piazzale Roma (car parking) or from S. Lucia Railway Station you can take a private taxi boat directly to our hotel (it takes 15 minutes and it costs about 65,00 euro in total up to 4 people including luggage) or a public waterbus number 1 or 2 to Accademia boatstation (it takes about 30 minutes and it costs about euro 7,50 per person), then go left following direction to Peggy Guggenheim Collection for about 100 meters and turn right after the first bridge (just 2 minutes walk in total). **PARKING** We suggest you to park your car at the garage San Marco at Piazzale Roma so at your check out we will give you a discount coupon to grant you a 20% discount on winter time and 10% discount the rest of the year for the parking. Piazzale Roma is the bus terminal just at the end of the bridge from the land.
